

# CAROLINE

## CONNECTION

Greetings Caroline Families,

We have had some very busy weeks. Last week, our 3rd graders had a celebration of learning and helped many visitors to the classroom take a trip around the world. I even got my first passport!

I'd like to thank Milly Stephenson for inviting Kate DeVoe from the Tompkins County Public Library to come out to Caroline to read to our kids. All of our students listened to a story and even saw a magic trick.

Our Kindergarteners presented to the school during morning program yesterday. They shared about a book they are reading and presented on, "Creating a Culture of Love".

On Monday, our 4th and 5th grade students delighted us with their musical talents during the Band Concert. Thank you students and Ms. Daly for putting in the hard work!

Finally, staff and students alike were asked to describe Caroline in one word. The responses were inspiring and I feel fortunate every day for being a part of this incredible community. The larger words represent those responses that were given multiple times by different individuals.

Winter recess is next week. Please enjoy the week and stay warm. As always, thank you for sharing your children with us. Have a wonderful week!

Sincerely,  
Karen Rachetta

By making a gift at [www.runningtoplaces.org](http://www.runningtoplaces.org), you can help us finish the work and open our doors very soon!

Hope to see you at the show!
