**May 31st**  
Service Learning Day  
Please wear your "I am needed" t-shirts

Greetings Caroline Families,

I hope this connection finds you well. As we wind the year down, are activities wind up. Our students are going on lots of field trips including Cayuga Nature Center, Cornell Botanical Gardens, the Eight-Square Schoolhouse, Lab of Ornithology, and Ithaca Children's Garden. We are finishing up year-long case studies and will share this work with our community on June 19th at our Celebration of Learning. More information will following with specific times and locations for each grade level. We are very excited!

Congratulations to the 5th graders and staff who participated in the staff vs. student basketball game. I heard a good time was had by all!!

Come out on Monday night, June 3 at 7:00 PM to the Community Conversation with Dr. Brown. The topic will be the search for your next principal. There is a survey that was emailed to all families to get community-wide input to inform the search and selection. You can find the survey at this link:

Our fourth graders are participating in the NYS Science Assessment. They took the performance portion on Wednesday this week and will take the written portion on Monday, June 3rd. They are also scheduled to participate in the NYS ELA Field Test. Each year the state chooses a grade level to take practice questions that may be included in future exams. This will take place on Tuesday June 4th.

As always, thank you for sharing your children with us. Have a wonderful weekend!

Sincerely,  
Karen Rachetta
