CALLING
ALL
ORCAS!

Each fall the Cabrillo PTO asks families to donate funds to support all of the programs & staff that make Cabrillo school the amazing place it is.

Now, in this ever so changing world, it is even more important to keep our students engaged & our staff supported.

DIRECT DONATION DRIVE

We understand that times are tough for many.

Because of this we are asking for a \$20 per student for teacher appreciation funds & a gentle "give what you can" donation for our annual enrichment.
