

SHANA TUCKER:
TAPESTRY of SONGWRITING
SONG LYRICS: "5th Grade is So Much FUN!"

CHORUS (4x)

5th grade...is really fun

We do a lot of work but we get it all done -- Eyy!

VERSE 1

We're the oldest kids in this school

We lead by example and follow the rules

5th graders earn the chance to do

Things that are awesome, educational and cool

Like --

Safety Patrol, CNN 10

Tips & Fines...and an Auction

Overnight field trips out-of-state

Kickball with the teachers is so great!

CHORUS (4x)

5th grade...is really fun

We do a lot of work but we get it all done -- Eyy!

VERSE 2

Expectations to be prepared

Sometimes make us a little scared

Grown-ups say that we're mature

But there are days when we're not sure

Lots of homework, lots to read

CQ's and Dynamath -- we're gonna need

A break before we get too stressed out...

But that's what RECESS is all about -- Eyy!

CHORUS (4x)

5th grade...is really fun

We do a lot of work but we get it all done -- Eyy!

BRIDGE (dance break)

Eyy -- eyy -- eyy -- eyy

VERSE 3

It's our last year at Joyner, believe it or not
Our teachers made sure we learned a lot
Ms. Wilcox, Sawyer, Neal and West
Are committed to having us do our best
They're so supportive in every way
And even have funny things for us to say:
Hip-Hip-HOORAY! Hip-Hip-HOORAY!
5-4-3-2-1 (tap-clap)

CHORUS (4x)

5th grade...is really fun
We do a lot of work but we get it all done -- Eyy!

5th grade...is really fun
We do a lot of work but we get it all done -- Eyy!

5th grade...is really fun

We do a lot of work but we get it all done -- Eyy!

5th grade...is really fun

We do a lot of work but we get it all done -- Eyy!
