

Hello! My name is Ashton Kendall and I am a current senior here at Broughton High School. This year I have the opportunity to take part in our Internship program. I am working with an entrepreneur here in Raleigh who some of you may know. Her name is Myra Smith, she is a former teacher at Broughton and now she substitutes for various classes.

With my future career goal being a pediatric nurse, Mrs. Smith has given me the opportunity to create a kid's day. This event will be held at the Kiwanis Center on Wednesday, March 9th and will include a variety of activities for elementary school-aged kids. We will have stations that will give the children a chance to learn about mindfulness as well as doing crafts and enjoying a snack! Transportation to and from the event will not be provided. Advanced registration is required.

Since March 9th is a teacher workday, I thought this would be a great chance for your kids to join us! Also, if you have any friends with kids please feel free to show them this flyer as well. Thank you for taking the time to get to know me and read about the opportunity that I am passing along to you and your children.

If you have any questions, feel free to reach out to me at [ashtonkendall36@gmail.com](mailto:ashtonkendall36@gmail.com)
