

Summer Reading Challenge

It's time again for JYJ's summer reading challenge! Participation in this program is voluntary, but is a great way for JYJ students to keep up their reading skills during the summer.

Students who log a **minimum of 1000 minutes** during the summer (that's about 20 min/weekday) get to participate in the Summer Reading celebration sometime this fall. Students can record the minutes they read on the reading log on the reverse side of this form. Those who turn in the log by Friday, September 11, will attend the celebration.

If you have any questions about this program, please contact Kristin Wolverton (kmwolverton70@gmail.com) or Leslie McKay (lesliewagstaff@yahoo.com).

Summer Reading Strategies:

1. Combine activities with reading
2. Lead by example (your children see when you read)
3. Read aloud with children (question each other)
4. Let children take ownership by setting their own timers or picking their own books
5. Start a neighborhood book club (social distance style)

The Summer Reading Program is sponsored by the Joyner PTA!
